## **Workshop Champions Bunbury Businesses**

Choose Respect will be holding a workshop for interested members of the business community to find out how becoming a champion of Choose Respect might benefit their business and the wider district of Bunbury.

The workshop, sponsored by the Bunbury Chamber of Commerce and Industries, will be held on **October 20, 2009 from 7pm** at **Chamber House, 15 Stirling St, Bunbury.**

Gary Butcher, Managing Director and creator of Choose Respect, will be facilitating the workshop and providing participants with information on Choose Respect and the Choose Respect Code of Behaviour.

"A champion of Choose Respect is someone who makes their own decision to live by the Choose Respect Code of Behaviour," Gary said.

"This does not mean they have to be perfect but it does mean the champion has decided to make a conscious effort to live by the code in their homes, schools or workplaces.

"We want to sit down with businesses and look at different ways Choose Respect can benefit them and discuss how they might implement Choose Respect in their workplaces."

The workshop will offer business leaders an opportunity to network with other like-minded individuals who want to make our community a better and safer place to live.

Light refreshments will be provided after the workshop.
