Sign Up to Choose Respect at Hay Park

Choose Respect is embarking on its next big project working with sporting organisations across greater Bunbury. As part of this project Choose Respect has been successful in getting approval from the City of Bunbury to install a large new "Choose Respect" sign across the side of the Len Nesbit pavilion facing Bussell Highway.

The sign will help to highlight Bunbury's push to be the first Choose Respect city and is one of many Choose Respect signs that is expected to go up around the South West over the next few years.

To celebrate this achievement the Bunbury Choose Respect Management Team got together for a photo.
